EAST RIDING OF YORKSHIRE

# Armed Forces Needs Assessment Survey 2024

Help us to understand your experiences as a member of the Armed Forces community living in the East Riding. If you are a veteran, serving personnel, reservist, spouse or family member, we would like to hear from you.

We want to make sure that services and support are accessible and continue to support the principles of the Armed Forces Covenant, which is a commitment to ensuring that members of the Armed Forces community are not disadvantaged when accessing public services.

Your feedback will help us to do this so please have your say on the things that are most important to you.

The survey can be found at [tinyurl.com/56r7f988](https://tinyurl.com/56r7f988) or by scanning the QR code below. If you require a paper copy, please call (01482) 391426.
